

AirBerth®
BOAT LIFTS

THE *PROVEN* CHOICE

HIGH PERFORMANCE

Spend more time *racing*
and less on maintenance

The *proven* way to keep your boat out of the water so you can enjoy a trouble free racing lifestyle.

How does AirBerth enhance your racing lifestyle?

- Spend more time boating and less on maintenance
- Preserves the value of your boat by minimising osmosis and electrolysis
- Improve performance and top line speed with no anti-foul paint
- Quickly launch and raise your boat for quick access and berthing
- Spray jets for hull rinse to remove salt water

AirBerth is the ultimate vessel protection!

The AirBerth Advantage

- HDPE Material is non-marking
- High reserve buoyancy can handle areas with high wave action and traffic
- AirBerth specialise in protecting high performance boats with shaft drive, jet drive, arneson drives or multiple outboards
